

When you feel out of place

A prayer for alignment and clarity

The Tension

There are moments when life looks intact from the outside, yet something inside feels slightly displaced. Not crisis. Not collapse. Just quiet disconnection. Today I bring that feeling before God.

Prayer of Alignment

Lord,

if I feel out of place, show me where I have drifted from Your truth. If I am standing in confusion, clarify what You have already planted in me. If I have listened to lies, restore my sight with Your light. I do not want to fix myself. I want to align with You. Realign my heart.

Re-root my steps. Re-center my life in Your will.

Amen.

Prayer of Alignment

- Where do I feel slightly misaligned right now?
- What truth from Scripture challenges my current direction?
- What small step of obedience can I take today?
